PROFESSIONAL SUMMARY

MERN Stack Developer with hands-on experience building responsive web applications and AI-integrated platforms. Skilled in React.js, Node.js, Express.js, and MongoDB with experience developing REST APIs, integrating machine learning models, and deploying full-stack applications.

TECHNICAL SKILLS

Programming Languages: JavaScript (ES6+), Python, SQL, C, C++

Frontend: React.js, HTML5, CSS3, Bootstrap, Tailwind CSS, Responsive Design

Backend & Databases: Node.js, Express.js, FastAPI, MongoDB, MySQL, SQLite, REST API Development, CRUD Operations, JWT Authentication

Tools & Platforms: Git Version Control, Docker, AWS (Basic), API Integration

PROFESSIONAL EXPERIENCE

InternSpot

Remote

Full Stack Developer Intern

2 Months

- Developed frontend and backend features using React.js and Node.js while collaborating with developers to implement and debug application functionality.
- Optimized frontend system performance resulting in a seamless cross-device user experience, by designing and implementing responsive UI components.
- Collaborated with cross-functional developers achieving minimal defect rates, by identifying, debugging, and resolving application issues.

PROJECTS

Brain Tumor Classification System

github.com/robo-github/brain-tumor-trash

Full-Stack Developer

Python, FastAPI, React.js, Express.js

- Developed REST APIs for frontend-backend communication and managed API requests and data handling.
- Implemented responsive UI components using React and built reusable component architecture.
- Integrated machine learning model with web interface.

AI Agency Landing Page

agency-ai-robo.netlify.app

Frontend Developer

React.js, Tailwind CSS

- Designed a modern agency landing page ensuring complete responsiveness across multiple device sizes, by utilizing React.js component architecture and Tailwind CSS.
- Built interactive UI sections resulting in an engaging user experience, by structuring the frontend with reusable components and mobile-first principles.

Nike E-commerce Web Application

Frontend Developer

React.js, Tailwind CSS

- Developed a robust e-commerce interface delivering consistent cross-device performance, by building dynamic product listing components using React and Tailwind CSS.
- Structured the frontend application foundation enabling rapid future feature development, by adhering strictly to reusable component methodologies.

EDUCATION

Vidya Vikas First Grade College

Mysuru, Karnataka

Bachelor of Computer Applications (Information Technology)

2023 – 2026

- CGPA: 6.5

CERTIFICATIONS

Microsoft Azure AI Fundamentals

Microsoft

Certified

Cisco Certified Support Technician (CCST) – Cybersecurity

Cisco

Certified

PROFESSIONAL TRAINING

NxtWave Disruptive Technologies

Industry Ready Certification in Full-Stack Development

2024 – Present

- Course modules include: HTML, CSS, JavaScript, React.js, Node.js, SQL, Python, Git, and Data Structures & Algorithms.
